## INDEPENDENT AUDITOR'S REPORT

To the Executive Committee of the Board of Directors  
Ronald McDonald House Charities of Oklahoma City, Inc.

### ***Opinion***

We have audited the accompanying financial statements of Ronald McDonald House Charities of Oklahoma City, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ronald McDonald House Charities of Oklahoma City, Inc. as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Ronald McDonald House Charities of Oklahoma City, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronald McDonald House Charities of Oklahoma City, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance

and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ronald McDonald House Charities of Oklahoma City, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronald McDonald House Charities of Oklahoma City, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**NOTE 1 NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization**

Ronald McDonald House Charities of Oklahoma City, Inc. (“RMHC-OKC” or the “Organization”) is an Oklahoma nonprofit charitable corporation formed in June 1980. The mission of Ronald McDonald House Charities (“RMHC” or “RMHC Global”) is to create, find and support programs that directly improve the health and well-being of children and their families. Collectively, RMHC and the network of local Chapters ascribe to five core values: we are focused on the critical needs of children, we lead with compassion, we celebrate the diversity of our people and our programs, we value our heritage and we operate with accountability and transparency.

We fulfill our mission through operation of sustainable programs that enable family-centered care, bridge access to quality health care, are a vital part of the health care continuum and strengthen families during difficult times. The following programs, operated by the Organization, represent the core functions of RMHC-OKC.

**Ronald McDonald House**

When children must travel long distances to access top medical care, accommodations and support for families can be expensive or not readily available. The Organization helps families stay close to their ill or injured child through the Ronald McDonald House program located in Oklahoma City, which provides temporary lodging, meals and other support to children and their families. The program provides families with emotional and physical comfort and increases the caregivers’ ability to spend more time with their child, to interact with their clinical care team and to participate in critical medical care decisions.

**Ronald McDonald Family Room**

When a child is critically ill, parents may be reluctant to leave the hospital. In order to provide comfort and support to their child, it is important that parents have an opportunity to rest, have a meal or have a moment of quiet. Located inside medical care facilities, the Ronald McDonald Family Room program in Oklahoma Children’s Hospital serves as a place of respite, relaxation and privacy for family members, often just steps away from where their child is being treated. The Ronald McDonald Family Room program provides parents with an opportunity to remain close to their hospitalized child and to be an active member of their child’s health care team.

**Basis of Presentation**

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and are presented on the basis of net assets without donor restrictions and net assets with donor restrictions. Net assets with donor restrictions are created only by donor-imposed restrictions on their use. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. All other net assets, including board-designated or appropriated amounts, are net assets without donor restrictions and are reported as part of the net assets without donor restriction class.

**RONALD MCDONALD HOUSE CHARITIES OF OKLAHOMA CITY, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**Measure of Operations**

The Organization's change in net assets from operations on the statements of activities includes all operating revenues and expenses that are an integral part of its program and supporting activities, net assets released from donor restrictions to support operating expenditures and other non-operating funds to support current operating activities. The measure of operations excludes investment return on investments.

**Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management of the Organization to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Cash Equivalents**

Cash equivalents include money market funds and all highly liquid investments with a maturity date of less than three months from the date of purchase. The Organization's cash balances that are maintained in bank accounts may exceed Federal Deposit Insurance Corporation limits from time to time. The Organization has not experienced any losses in such accounts and management believes that it is not exposed to any significant credit risk on cash.

**Contributions Receivable/Promises to Give**

Contributions receivable are unconditional promises to give. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Promises to give are written off when deemed uncollectible.

The Organization is the beneficiary under various wills and trust agreements of which the total realizable amount is not presently determinable. Such amounts are recorded when a will is declared valid by probate court and the proceeds are measurable.

**Investments**

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statements of financial position. Realized and unrealized gains and losses and income are included in the statements of activities.

**Property and Equipment**

Property and equipment are stated at cost, if purchased, or estimated fair value, if donated, at the date of donation. Purchases of \$5,000 or more are capitalized. Purchases less than \$5,000 and maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed as incurred.

**RONALD MCDONALD HOUSE CHARITIES OF OKLAHOMA CITY, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

Depreciation is calculated using the straight-line method over the estimated useful lives of the assets as follows:

Buildings and Improvements	20 - 50 Years
Office Furniture and Equipment	3 - 10 Years
Automobiles	5 Years

**Impairment of Long-Lived Assets**

The Organization evaluates its long-lived assets for any events or changes in circumstances which indicate that the carrying amount of such assets may not be fully recoverable. The Organization evaluates the recoverability of long-lived assets by measuring the carrying amount of such assets against the estimated undiscounted future cash flows associated with them. At the time such evaluation indicates that the future undiscounted cash flows of certain long-lived assets are not sufficient to recover the carrying value of such assets, the assets are adjusted to their fair values.

**Donated Assets, Property and Equipment, and Services**

Donated marketable securities, property and equipment, and other noncash donations are recorded as contributions at their fair values at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Donated services are recognized as contributions if the services: (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization also receives donated services from other contributors and volunteers that are not measurable, and therefore, are excluded from the financial statements.

**Deferred Revenue**

Income from sponsorships received in advance of future special events, which the resource provider is receiving commensurate value in return or a right of return exists if the event does not occur, is deferred and recognized over the periods to which the sponsorships relate.

**Net Assets**

The Organization's net assets and changes therein are classified and reported as follows:

**Without Donor Restrictions**

Net assets that are not subject to donor-imposed restrictions or law.

**With Donor Restrictions**

Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events

**RONALD MCDONALD HOUSE CHARITIES OF OKLAHOMA CITY, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

**Revenue Recognition**

**Contributions and Grants**

Unconditional promises to give are recognized as revenue in the period the promise was made. Contributions, grants, and bequests are recognized as net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Conditional grants and contract funds are recorded as revenue when earned. Revenue is earned when eligible expenditures or deliverables, as defined in each contract, are met. Funds received but not yet earned are shown as Deferred Revenue. Expenditures under contracts are subject to review by the granting authority. To the extent, if any, that such a review reduces expenditures allowable under these contracts, the Organization will record such disallowance at the time the final assessment is made.

**Sponsorship and Special Event Revenue**

The portion of revenue from sponsorships, special events, and ticket sales that relates to the commensurate value the sponsor or attendee receives in return is recognized when the related events are held and performance obligations are met.

**Leases**

The Organization determines if an arrangement is a lease at inception. Operating leases, if any, are included in right-of-use ("ROU") assets – operating and lease liability – operating, and finance leases, if any, are included in right-of-use ("ROU") assets – financing and lease liability – financing in the statements of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the statements of financial position, if any.

**Functional Expenses**

The statements of functional expenses report actual expenses that do not require allocation.

**Income Tax Status**

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income, if any, from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In

**NOTE 4 FAIR VALUE MEASUREMENTS**

In determining fair value, the Organization uses various valuation approaches within the fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability. A hierarchy for inputs is used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Levels within the hierarchy are based on the reliability of inputs as follows:

*Level 1* - Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;

*Level 2* - Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and

*Level 3* - Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models, and similar techniques not based on market, exchange, dealer, or broker-traded transactions.

The fair values of assets measured on a recurring basis as of December 31, 2023 are as follows:

	Quoted Prices in Active Markets or Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
<b>Assets</b>				
Investments:				
Mutual Funds:				
Money Market	\$ 87,140	\$ -	\$ -	\$ 87,140

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

The fair values of assets measured on a recurring basis as of December 31, 2022 are as follows:

	Quoted Prices in Active Markets or Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
<b>Assets</b>				
Investments:				
Mutual Funds:				
Money Market	\$ 83,289	\$ -	\$ -	\$ 83,289
Bonds	719,140	-	-	719,140
Equity Funds	2,219,995	-	-	2,219,995

Total Assets	<u>\$ 5,857,449</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,857,449</u>

Fair values for Level 1 investments are determined by reference to quoted market prices and other relevant information generated by market transactions. Fair value of Level 2 investments are determined by reference to quoted prices for similar assets in less active markets. Fair value of Level 3 investments are determined from valuation techniques in which one or more inputs are unobservable. The carrying amounts of all other assets and liabilities reflected in the statements of financial position for the Organization's financial instruments approximates their respective fair value due to the short-term maturities of those instruments. There have been no changes in valuation techniques and related inputs.

**NOTE 6 ENDOWMENT FUNDS**

The Organization's endowment consists of an individual fund established by a donor to provide annual funding for specific activities and general operations.

Absent explicit donor stipulations to the contrary, the Board of Directors of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with the standard of prudence prescribed by UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the various funds
- (2) The purposes of the donor-restricted endowment funds
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The Organization's investment policies

*Investment Return Objectives, Risk Parameters and Strategies.* The Organization has adopted investment and spending policies, approved by the Board of Directors, for endowment assets. Those policies attempt to provide a predictable stream of funding to programs supported by its endowment fund while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds any distributions, with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make distributions, while growing the funds if possible. The Organization expects

**RONALD MCDONALD HOUSE CHARITIES OF OKLAHOMA CITY, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

its endowment funds, over time, to provide an average rate of return that is consistent with historical returns of assets allocated 60% equity and 40% fixed income and non-equity investments. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to prevent exposing the fund to unacceptable levels of risk.

The policy allows portions of the endowment portfolio (those in excess of those amounts required to be maintained in perpetuity by the donor) to be split into a separate portfolio where it may be appropriated for expenditures approved by the Board of Directors.

Changes in endowment net assets and net assets by type of fund were as follows for the year ended December 31, 2023:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment Net Assets, Beginning of Year	\$ -	\$ 2,302,622	\$ 2,302,622

Endowment Net Assets, End of Year	<u>\$ -</u>	<u>\$ 2,302,622</u>	<u>\$ 2,302,622</u>

*Fund Deficiencies.* From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies as of December 31, 2023 and 2022.
